The instructions/guidelines to be followed by University/Institution

1. Release of funds

- The Principal/ Director of the institute and the Coordinator of the project are hereby requested to verify the correctness of the undermentioned bank account/ RTGS details submitted by them along with the Proposal, in

F.No.9-120/IDC/MODROB/Policy-1/2019-20

Report on participation of Vugha Security Solutions from Agni College of Technology @ Texas Instruments' Indian Innovation Challenge Design Contest-2018 anchored by NSRCEL @IIMB.

18.09.2019, Chennai.

Introduction:

We, the following students from Department of ECE and Mechatronics of Agni college of Technology participated in the India Innovation Challenge Design Contest 2018 conducted by the Texas Instruments in collaboration with Department of Science and Technology (DST), anchored by NSRCEL, Indian Institute of Management, Bangalore (IIMB) and supported by MyGov. The duration of competition is from Aug, 2018 to July 23rd of 2019.

- Ariharan .T - ECE A-4th year
- Balaji S - ECE A- 3rd year
- Jayakarthiga A - ECE A-4th year.
- Hemantharajan V - ECE A-4th year
- Karan - Mechatronics - 4th year.

About IICDC 2018:

IICDC is generally one the India's largest startup fest for the college students. The main motive of this competition is to give the students from technological background to give a shape to their ideas and bring up their product through the following stages.

- **Incubate** - with mentors from India's smartest brains from IIMB
- **Launch** - your product with funding and prizes from DST& TI
- **Design**- using Innovative products with technical mentorship & resources from TI

Contest structure :

REGISTRATION PHASE – JULY TO SEPTEMBER 2018

All the participating teams were instructed to register, form teams and identify the mentor on the Registration portal. Teams completing the registration process entered to the Quarter Finals Phase.

QUARTER FINALS PHASE – SEPTEMBER TO NOVEMBER

All registered teams went through online TI Business and Technical courses followed by the knowledge assessment. We have submitted the following documents,

- i. Detailed Business and Technical Proposal
- ii. Authorization Letter signed by Faculty Mentor sealed by College
- iii. Business Canvas

Teams were evaluated based on their quality of proposal and knowledge assessment scores. The submissions were reviewed by a panel of domain experts against two categories – Business Potential and Technical Innovation. The shortlisted teams were announced by November 30th, 2018.

To,

The Principal,
Agni College of Technology,
Thalambur,
Chennai – 600 130.

Sir,

Sub: Project Proposal - "Mini CNC machine" – Approval intimation reg.,

Ref: Your proposal letter dated 03.01.2018 - ACT/MECHATRONICS / 2017-18/PS/0017.

With reference to the above, we are pleased to sanction Rs.2,00,000 (Two lakhs rupees only) towards the project proposal "Mini CNC machine". The funding towards the project will be progressive and will be released only upon the submission of progress report on work done every quarterly. The prescribed date for completion of the project work is to be strictly adhered as mentioned in the proposal.

1. The granted fund should be fully utilized only for the specific project mentioned in the proposal and should not be used partly or fully for other projects or any infrastructure development in the institution (even if it is for the execution of the project) without the consent of the funding institution.
2. The principal investigator of the project should submit the progress or work execution status every quarterly.
3. The financial assistance material includes project equipment's and testing facility costs which will be extend by our R&D team to your project team.
4. At any circumstances, if the principal investigator decides to leave the institution where the project is based should be communicated to the funding institution without delay. The Institution should propose an alternate investigator to complete the project without extending the time duration prescribed in the proposal.
5. The principal investigator or the Institution should not exploit the findings/results commercially without the consent of the funding institution.
6. Upon the completion of the project the principal investigator should submit a detailed report with validation (if any) and the audited statements to the funding institution.

Name of the Project: Mini CNC machine

Principal Investigator : Mrs. Pinky, Mechatronics Engineering

The Principal Investigator is requested to acknowledge the same.

AWARD LETTER AGREEMENT

THIS AGREEMENT made on this 25th day of June 2016, between SRISTI, Society for Research and Initiatives for Sustainable Technologies and Institutions (hereinafter called as SRISTI), a non-profit organization having its office in AES Boys Hostel Campus, Near Gujarat University Library & SBI, Navrangpura, Ahmedabad-380009, Gujarat, India, of the ONE PART and Mr. V. Velmurugan, Assistant Professor, Department of Electronics and Communication Engineering, Agni College of Technology, Thalambur, Chennai-600130. Hereinafter called AWARDEE of the OTHER PART:

Whereas, SRISTI is an organization set up with the objective of strengthening the capacity of grassroots of student, inventors, innovators and ecopreneurs in the area of conserving biodiversity and developing eco-friendly solution for local problems; is engaged *inter alia* in the area search, documentation, experimentation, development, diffusion of sustainable technologies and Techpedia, a SRISTI initiative AIMS at putting the problems of micro, small and medium enterprises, informal sector, grassroots innovators and other social sectors on the agenda of the young technology students across the country.

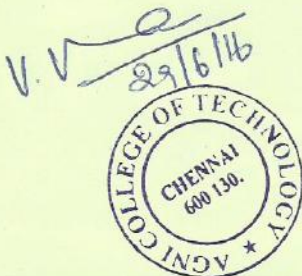

Whereas to promote the culture of innovation amongst the young minds of the country, SRISTI established three national awards for innovative student/faculty projects in engineering, pharmacy, science and applied technologies since 2012 in the name of Gandhian Young Technological Innovation Award (GYTI). Realising the need of the hour and looking at the innovation potential of awardees, Biotechnology Industry Research Assistance Council (BIRAC) a Government of India Enterprise of Department of Biotechnology (DBT), New Delhi has decided to give BIRAC-SRISTI GYTI Awards and BIRAC-SRISTI GYTI Appreciation Awards (hereinafter referred to as "Program" jointly or severally) administered through the Project Management Unit (PMU-BIRAC- SRISTI) at SRISTI.

WHEREAS Mr. V. Velmurugan, Assistant Professor, working in the Department of Electronics and Communication Engineering, Agni College of Technology, Thalambur, Chennai-600130 has been selected for BIRAC-SRISTI GYTI Award/ BIRAC-SRISTI GYTI Appreciation Award for the Research Project titled "A SEGMENTATION APPROACH TO DETECT RENAL CALCULI", hereinafter referred to as PROJECT and Appended herein as Annexure-I WHEREAS all the Annexures to this Agreement shall be read as integral part of the Agreement.

AND WHEREAS both SRISTI and the Awardee together shall be referred to as Parties.

NOW THEREFORE the Parties on valid consideration and mutual covenants enter into this AWARD LETTER AGREEMENT, hereinafter referred to as "ALA" as provided hereunder:

- I. The Awardee will communicate with Coordinator, Project Management Unit (PMU-BIRAC-SRISTI) on pmugyti@sristi.org
- II. The Awardee shall undertake the activities as set out in the Project and shall conform to the detailed plan of work, specified objectives, outputs, milestones, and targets as detailed in *Annexure-I*.
- III. The sanction of the Award fund is subject to due submission of the expected time period of completion (months), details of expenses under suitable heads, with the bank account details for remitting instalments of grant money.
- IV. SRISTI will transfer the fund to the account details provided by the Awardee. To ensure proper utilisation of the fund, it will be necessary to send the utilisation certificate as and when required or yearly and after the completion of the project duly signed by the team member.

- V. The Awardee will maintain a logbook of activities based upon the standard good laboratory practice (GLP). A timeline of work plan will also have to be provided in the logbook.
- VI. The Awardee will be responsible for ensuring that the best ethical practices are followed during the project implementation.
- VII. The Awardee is allowed to take the help (*pro-bono* or on payment basis) of external agencies/ laboratories/ scientific experts during the course of their research / project support. However, complete outsourcing of work will not be allowed. This should be clearly mentioned in the details of expenses under the head 'Outsourcing'.
- VIII. There will be an online monitoring of the project progress; the awardee will be required to upload the progress on regular basis. However, the review of the progress will be on half yearly / yearly basis.
- IX. The Awardee will submit a brief final report about the achievements at the end of the Project period including the data generated.
- X. The Awardee should comply with the Institutional IP Policy if required by the institution concerned.
- XI. IPR will belong to the knowledge holders. Hence in publications, reviews due credit to contributors. The collaborators can be encouraged.

Settlement of disputes:

Any difference or dispute between the parties or Awardee & Supervisor/Guide concerning the interpretation and/or implementation and/or application of any of the provisions of this agreement shall first be settled amicably through mutual consultation and/or negotiations between the parties; else President SRISTI/MD BIRAC / CIO-NIF may be invited as an arbitrator.

Revision, variation and amendment

The awardee may request in writing a revision, variation or amendment of this agreement.

Any such revision, variation or amendment agreed to by the parties shall be in writing and shall form part of this agreement.

Such revision, variation or amendment shall come into force on such date as may be determined by the parties.

In witness whereof, the undersigned, being duly authorised by their respective organisations, to sign this agreement on the date as above written.

Dear Sir / Madam,

We are pleased to inform you that your project has been shortlisted by us for a **grant-in-aid of Rs. 45,000/- in the financial year 2015-16.**

As a prerequisite to release of fund, you are requested to kindly adhere to the following requirement as per our guidelines:

Institutional Membership of IEI : This grant will be released to your Institute since you are applying for this R&D grant in aid for first time. However, to avail further grant, your Institute must be an Institutional Member of IEI . We request you to be an Institutional Member of IEI so that we can enter into a long term co-operation. The Institutional Membership form is attached.

Membership of IEI by the Guide: The Guide must be members of IEI. -Please provide us the membership numbers of yours. If you are still not a Member, please fill up the enclosed form and send a scanned copy of the form along with scanned copy of the requisite draft to the undersigned by mail within 14.08.2015.

Cheque for the grant-in-aid will be issued in the name of the Institute only. Please provide us with the details of the payee within **14.08.2015** .

Thanking you,

With regards,

Nilanjan Sengupta
Director (Technical)
The Institution of Engineers (India)
8 Gokhale Road, Kolkata-700020.
West Bengal, India.

RESEARCH COLLABORATION AGREEMENT

This Research Collaboration Agreement (the "Agreement"), having an Effective Date of 30th December 2016, is made between MERF Institute of Speech and Hearing, Chennai, represented by its Mrs. Indira M. Kameswaran and Agni Centre for Research & Development ("Agni CRD"), Agni College of Technology represented by its Dr. S.R.R. Senthil Kumar at **Agni College of Technology**. Agni College of Technology, who will devote as much time and attention to the Project as is reasonably necessary for its success.

- Research Project**
Agni CRD desires to undertake collaborative research activities with MERF Institute of Speech and Hearing in studying the **"Effect of Noise in Listening and Learning"** For the Project "To Study the Effect of Noise in Listening and Learning" MERF will be supporting with fund of Rs. **5,00,000/-**
- Internship and Resource Utilization**
Agni College students and MERF ISH agree to share the lab and faculty resources for the purpose of their research projects and Agni college students may take their internship programme at MERF ISH abiding by the rules and regulation of MERF ISH.

3. Publications

Each Party may, with the written consent not to be unreasonably withheld, publish the findings of the collaborative activities of the Parties in the form of an article in a journal, newspaper or other magazine provided that where an application for registration of a trademark, service mark, or design or an application for a patent, will be made, such an article shall not be published for a period of up to ninety (90) days for the said application to be made. A copy of the article to be published shall be provided to the Party whose written consent is required hereunder prior to publication of the same for that Party's perusal and written consent.

4. Intellectual Property

This Agreement does not affect the ownership of any Intellectual Property in any Background or in any other technology, design, work, invention, software, data, technique, know-how, or materials that are not Results. The Intellectual Property in them will remain the property of the party that contributes them to the Project (or its licensors). No license to use any Intellectual Property is granted or implied by this Agreement except the rights expressly granted in this Agreement.

MERF Institute of Speech and Hearing and Agni College of Technology will own the Intellectual Property in the Results and may take such steps as it may decide from time to time, and at its own expense, to register and maintain any protection for that Intellectual Property, including filing and prosecuting patent applications for any of the Results.

Where any third party such as a student is involved in the Project, the College or the party engaging that student (as the case may be) will ensure that the student assign IP if any, that may have in the Results, should request MERF ISH and Agni College of Technology in connection with the registration and protection of the Intellectual Property in the Results, including filing and prosecuting patent applications for any Result, and taking any action in respect of any alleged or actual infringement of that Intellectual Property.

5. Confidentiality

All materials and information provided to a party by the other party or acquired by a party on behalf of the other party, whether oral, written, recorded magnetic media, cards or other device can be treated as confidential information in accordance with the applicable laws, ethical standards. Each Parties shall take all necessary steps to safeguard the confidentiality of such materials or information. Neither party shall use the confidential information of the other party for purposes other than relevant to current project.

6. Validity of the Agreement

This agreement is valid for a period of three years with effect from the date of signing of this agreement and can be renewed by mutual consent thereafter. Each Party may terminate this agreement by not less than three months prior written notice to the other party of its desire to terminate.

7. Other Agreements or Arrangements

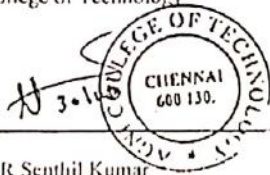

The agreement does not affect or supersede any existing or future agreements or arrangements among the parties and does not affect the ability of the parties to enter into other agreements or arrangements related to this agreement.
