AGNI COLLEGE OF TECHNOLOGY
CHENNAI - 600 130

Agni College of Technology is a Chennai based reputed academic institution, offering multiple programs in Engineering and Management at undergraduate, post graduate and research levels. The College is approved by AICTE, New Delhi, affiliated to Anna University Chennai, accredited by National Board of Accreditation, New Delhi and an ISO 9001:2008 Certified Institution. ACT is committed to high academic standards with the objective of producing high quality Engineers and Technocrats.

ACT desires to enter into a formal agreement with 3Edge to improve the technical skills of students. ACT and 3Edge have agreed on conducting a program for students to meet the following objectives:

- Improve Technical Knowledge and Skill set of students and thereby achieve better placements
- Identify Eligible Students(All Clear + Max 2 arrears) and focus Training on Hands-on technical skills
- Train all eligible students on fundamentals during their 2nd year
- Train students on Technical tracks related to Advanced / Specialized areas during their 3rd and 4th Year

The Parties hereby further agree as follows:

1. Roles and Responsibilities of 3Edge and ACT

- a. 3Edge will fine tune the training curriculum, train ACT students as per the schedule jointly prepared with ACT.
- b. 3Edge will evaluate (online and Offline) the students on a periodic basis and provide feedback to the college Management regarding their performance and improvement opportunities.
- c. 3Edge will manage the overall planning and execution of this framework
- d. 3Edge will Identify, Train and Mentor technical trainers required for this program
- e. 3Edge will provide exercises, question bank and other relevant materials required during this training program
- f. 3Edge will conduct placement preparation sessions, Capsule based training (tests, mock interviews etc) to help the students during their final year placement.
- g. 3Edge will connect ACT with industries which are interested to work with institutions as part of their fresher's recruitment strategy.
- h. ACT will provide the necessary space and IT infrastructure(Lab facility with internet access and projector) to conduct training sessions

Sue
PRINCIPAL
AGNI COLLEGE OF TECHNOLOGY
CHENNAI - 600 130

- i. ACT will provide a one-point contact to interact with 3Edge personnel during the day to day operations of the engagement.
- j. ACT will ensure full participation of students from all designated branches and batches. The fee will remain the same irrespective of absenteeism or abstention of students from the course.
- k. Both ACT and 3Edge will take joint responsibility of refining this program to achieve better results and understand that it would be evolving model for both parties
- l. 3Edge will provide appropriate faculty for conducting technical session and any turnover will be fully addressed by 3Edge seamlessly without affecting the program objectives and overall commitments.
- m. The 3Edge faculties are expected to have adequate skills and experience / competency in providing advanced level and specialization level training to the students in the areas specified.
- n. Program Management Review: Feedback will be collected from trainers and students periodically. A joint committee of ACT & 3Edge will be formed to review the feedback, performance, and progress on a regular basis. If a faculty fails to meet the desired performance levels on technical or behavioral aspects, he/she needs to be replaced without any loss in program delivery and commitments.

2. Detailed Approach

- a) For the current batch of 2nd Year students (2016-20), a long term approach will be followed to train them on foundation topics during their 2nd year, advanced topics during their 3rd year and specialized topics during 4th year – Refer Annexure A for the detailed list of topics covered for this batch. The same approach will be followed for all the future batches of students (2017 onwards).
- b) The current 3rd year students (2015-19) will be trained on foundation topics during their 3rd year and advanced topics during 4th year – Refer Annexure B for list of topics.
- c) For the current 4th Year students (2014-18), the focus will be on placement preparation and training them on topics which are covered as part of their syllabus – Refer Annexure C for the topics.
- d) For all students, placement preparation sessions will be organized during their final year on a regular basis (Capsule based session to be carried out based on the requirements during end of 7th Semester and entire 8th Semester). 3Edge will also organize and conduct 3 sessions of Mock interviews during 7th and 8th Semester, by industry experts from HR and Technical teams.

K. V. V. Arave

(3Edge Signatory)

Su
PRINCIPAL
AGNI COLLEGE OF TECHNOLOGY
CHENNAI - 600 130

6) The following number of hours of training has been assumed

1. For 2nd Year - 4 hours per week will be allocated for both semesters
2. For 3rd Year - 5 hours per week will be allocated for both semesters
3. For 4th Year - 5 hours per week will be allocated during 7th semester
4. For 4th Year - 12 hours per week will be allocated during 8th Semester (2 days in a week - for Project work)

f) All training materials - course plan (including concept / comprehension questions and answers, problems and solutions, question bank), demo/examples, Lab practice assignments will be made accessible via Moodle platform on 24x7 basis. These materials will be shared with Agri team 1 month prior to start date of semester so that we will have sufficient time to review and incorporate any changes. Each student will be given a User ID and password to access these materials. Question bank for each subject will be prepared and uploaded into Moodle.

g) All case based course materials will be shared with Agri in hard copy format - one set for the Placement office and another set for AET coordinator.

h) Training curriculum will be reviewed by both 3Edge and Agri team well in advance before the start of the semester to incorporate any changes based on the emerging technologies.

i) 3Edge will share the client list (Refer Annexure D for list of some of our existing clients) who are interested to recruit fresh graduates on regular basis. This would be an ongoing activity as we may have new clients approaching for such requirements. Specific technical skill requirements from these clients may have to be addressed through Capstone based training program during the final year.

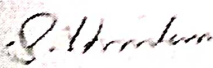

3. Fees and Payment Terms

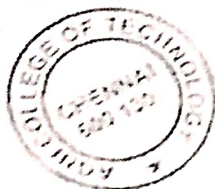

a) For Trainers

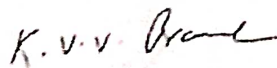

1. Based on the number of sections, batch size and time table, number of trainers will be identified
2. For sections up to 30 students, 1 trainer will be deployed. For more than 30 students, we will be requiring 2 trainers to support the training session
3. Average billing cost for 3Edge Trainer would be Rs. 50,000 per month and it will be billed only for the utilized months (8 months utilization is requested).
4. These trainers would be drawn either from industry or from 3Edge - trained and focused on hands on skills

b) For Consulting Expense and Services, fees to be charged as

1. For 2nd Year - Rs. 2,500 per student per annum (Total training Hours - 96)
2. For 3rd Year - Rs. 3,500 per student per annum (Total training Hours - 144)
3. For 4th Year - Rs. 5,500 per student per annum (Total training Hours - 216)

(ACT Signatory)

(3Edge Signatory)

PPR COLLEGE OF TECHNOLOGY
CHENNAI - 600 130

- c) Invoice will be raised on a quarterly basis in advance
- d) All payments are due to 3Edge within 45 days of invoice date
- e) Service Tax will be charged extra, as applicable.

In the unlikely event of the programs offering setbacks / losses, either party can give one month notice to the other to suspend the program, taking due care that all ongoing courses are suitably concluded. 3Edge would be compensated for all the services rendered till the conclusion of the program.

Ownership of training materials

The training materials and question bank provided by 3Edge will remain the property of 3Edge and will be used by ACT students and faculty for their internal use only. ACT will not use the training material and question bank for other colleges or third parties who are not the intended recipients of this program.

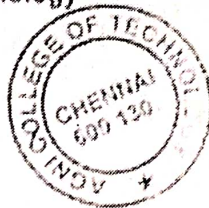

This Agreement would be valid for a period of One year, initially, extendable upon mutual consent after completion of this initial period.

Signed this 22nd day of June 2017

Status of Harita techserve Introduced Companies

S.No	Questions Raised	Answers
1	How many companies introduced	7 companies (as on March 15, 2018)
2	Names of the companies	1) Sundram Clayton Ltd. 2) Sundram Fasteners (Autolec) 3) Ti India (Murugappa Group) 4) Combat Vehicles Research & Development Est.(CVRDE) 5) Amalgamations Repco Ltd. 6) Igrashi Motors. 7) Greavs Cotton Ltd.
3	What is the position of each of those introductions	We have met all the technical team members of the companies, along with Hod's of Mechanical/Mechanical & Automation/Mechtronics, first round of discussions on industry – institution collaboration and possible tie up in terms of internship, research projects , placements and technical guest lecture. Mr.R. Seetharaman GM visited our campus and discussed with our EEE HOD & Principal (Dr. SRR)
4	What are the tie ups done company wise	1) Sundram Clayton Ltd. – NIL 2) Sundram Fasteners (Autolec) – 2 third year Students EEE dept. Completed Internship. 2 final year EEE students doing project. 1 students likely to get placed. 3) Ti India (Murugappa Group)- 1 final year Mechanical students Internship / projects. 4) Combat Vehicles Research & Development Est.(CVRDE)- Faculty funded projects only. 5) Amalgamations Repco Ltd. – 4 Mechatronics dept. students are doing project. 6) Igrashi Motors.- NIL 7) Greavs Cotton Ltd. – 2 Final year Mechanical dept. students doing project.
5	What are the placements done by those companies alone	Sundram Fasteners (Autolec) - 1 students likely to get placed. (Subject to company requirement and performance in the project work.)
6	How many children are placed in any other companies only on design taught by Haritha	Internship and Projects being offered to our students, please refer column no.4, for detail.
7	How many children are recruited by Haritha for themselves I think 16?	Total – 15 students (10 Mechanical & 5 Mechatronics)
8	How it's going to help in future	Information to be shared by Mech HOD
9	How many children joined TVS.	Sundram Fasteners (Autolec) - 1 students likely to get placed (Subject to company requirement and performance in the project work.) Not Yet Confirmed

Dear Sir,

Based on our conversation and internal discussion, we have fixed the following rate per student per test - instead of earlier model of semester wise rates.

Rate Per student Per Test will be Rs. 100/- (Plus applicable taxes).

This will give flexibility for you to plan your schedules but we suggest minimum 4 test per student during each semester so that it will help them to practice and improve their technical skills. We will raise the bills based on the actual number of tests taken by each students.

Let me know if you need more details.

Regards

Syed Nazir

Dear Sir,

We have submitted our first invoice which was due to be raised in July 2017 as we have agreed to raise Invoice in advance on a quarterly basis.

As part of the Invoice processing, the status of the following deliverable needs your confirmation / approval.

1. Training material - hard copy has been submitted to Placement and CSE department (1 set each), soft copy of the same has been made available in Moodle platform. Students have been given access using their registration number as user id.
2. Training Schedule - day wise schedule has been shared before the semester start date and the actual sessions are also updated by the trainers. Delay in training schedule has been communicated and the same will be recovered either by taking additional sessions during Oct or it will be covered during next semester.
3. Two online assessments (for all students) and one programming test (Using pen and paper for 2nd and 3rd year) have been conducted so far and the scores have been shared. Programming tests are being conducted during this week for final year students. We will be conducting one more assessment during the last week of semester.
4. As part of the initial arrangements, based on our understanding, we have deployed 2 developers for each trainer. For this, we had 2 developers for 2nd year and 2 developers for 3rd year during the first month of our training. We have followed the same and their attendance records are available in the register maintained in your campus.

Please provide your confirmation / approval for the same so that placement team can process the same at the earliest.

Regards
 Syed Nazir Ahmed

Fri, Sep 15, 2017 at 4:00 PM

Cc: placementoffice ACT <placementoffice@act.edu.in>, "S.Jayanthi S" <jayanthi.cse@act.edu.in>, "Mr. S. Yoganand Asst.Professor" <yoganand.cse@act.edu.in>

Dear Sir,

For Item - 1, we have given access to all the training materials which is used in the sessions to all the students. Trainers have been instructed to inform the students on how to access the same using their registration number in Moodle. For QB, we can give complete access of all questions (Question Bank) to your team and placement team. We cannot give the question bank to students as it will enable them to update/edit the questions. We can create multiple Quiz from Question bank and allow them to practice any time and any where.

For Item 3, We will share the Pen & Paper test results for final years during early next week.

Hope it clarifies.

Regards

Syed Nazir Ahmed
