Elated to share my views regarding The Union Budget 2022 on NewsX which has undoubtedly set the stage for Drone industry to boom in India!

16:48

Garuda Aerospace, which is located at Agni College of Technology has set the stage for drone industry to boom in India . It's founder/CEO Mr. Agnishwar Jayaprakash shared his views regarding that on NewsX channel dated 4th February 2022. Use of drones can increase agriculture GDP by 1 to 1.5 percent by working on full filling demands for drones to be used in domestic agriculture sectors and global markets.

DRONE INDUSTRY

Drone industry gets a massive push after Union Budget 2022. Garuda Aerospace located at Agni College Technology in association with the government companies, drone will be implemented in various areas such as crop assessment, digitization of land records, spraying. He explained his ideas of selling agricultural drones to every part of India which would provide support services in the deepest pockets of rural India and will simultaneously create a lot of skilled employment.
