DEPARTMENT MEETING

In a recent faculty meeting led by Dr. Arul Kulandaivel, the Head of the Department of S&H, on October 14, 2023, in the Physics lab. Several important agendas were discussed, including the completion of University Profile entries, immediate updates of Slip Test Marks, IQAC files, and the initiation of mentorship programs. The meeting also emphasized the importance of maintaining Excel files for student feedback, achieving a minimum of 40 successful students from each section in the first semester, and maintaining discipline and academic excellence. Encouragement for club activities and the allocation of mentees to faculty members were also discussed. He expressed gratitude for the collaboration in achieving these goals
