

1.4.1 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

Alumni: Alumni feedback provides a long-term perspective on how well their education prepared them for their professional journeys. It is instrumental in assessing the practical relevance of the curriculum and the overall effectiveness of the educational program. Supporting documents include Feedback Questionnaires, Sample Feedback Forms (Unfilled and Filled), Feedback Analysis, and Action Taken Reports.

	Index for Supporting Document
4	Alumni feedback on the syllabus and its transaction
a)	Feedback Questionnaires
b)	Sample feedback form- Unfilled
c)	Sample feedback form- Filled
d)	Feedback Analysis
e)	Action Taken Report

Alumni Feedback Form

1. How well do you believe the overall curriculum is designed to meet the objectives of your program?
2. Please rate the relevance of the courses in your program to current industry trends and practices
3. How would you rate the comprehensiveness and depth of the course content provided in your program?
4. To what extent did the curriculum prepare you for the practical application of the knowledge and skills acquired during your studies?
5. Assess the availability and encouragement of research opportunities within your program.
6. How effective was the curriculum in enhancing your problem-solving skills?
7. Rate the offering of the courses in relation to the specialization streams
8. To what extent were technology and digital resources integrated into the curriculum to enhance the learning experience?
9. How do you rate the courses included in programs can be suited to the industry requirements?
10. How flexible do you think the curriculum is in accommodating diverse learning needs and preferences?

Academic year 2023-2024

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Report of Action Taken on Feedback from Alumni

Suggestion	Action Taken	Evidence
Steps to be taken to improve the relevance of the courses in the program to current industry trends and practices	Students are asked to take trainings in industries	Students have attended Internships
Comprehensiveness and depth of the course content to be addressed	Training classes arranged	Students have taken additional training in certain subjects

 22/11
 HOD / CSE

AY 2023-2024

Department of Electronics and Communication Engineering Action Taken Report for Alumni Feedback on Curriculum

S.No.	Feedback	Action Taken
1	Alumni suggested that the curriculum lacked sufficient integration of current industry trends and practices	Organized workshops and guest lectures by industry professionals to bridge the gap between academic learning and industry needs.
2	Alumni recommended increasing opportunities for practical applications of knowledge and skills in the program.	Introduced lab-based courses and industry internships to enhance hands-on experience and real-world problem-solving skills.

HOD/ECE
