DEPARTMENT MEETING

The head, Dr. Arul Kulandaivel (S&H), held a department meeting with all the faculty members in the physics lab on December 27, 2023. He started the meeting with a note of appreciation to all the S&H faculty members for making history in Agni by reaching 62% overall for the previous academic results. The most significant discussions were with the faculty members, who were asked to strictly adhere to the already-implemented SOP regarding coaching class tests. sharing the important tips from the perspective of the university exam and providing a question bank to the students. The class in charges were instructed to submit the action plan for absentees. The emphasis on the fruitful results of IAT-2, the smooth conduct of the semester lab practical, and the submission of a student's scholarship offer letter in the admission office were iterated.
