ABOUT THE COLLEGE

JCT College of Engineering and Technology started in the year 2009 and is the first engineering educational institution and the first college in the region with the largest and well-developed green campus. Under the able leadership and guidance of Mrs. A. Subramanian, Chairman, Dr. S. K. Sankaranarayanan, Secretary, the college has developed excellent facilities and infrastructural resources, seminar halls, well-equipped laboratories, workshops, well-stocked library, dedicated high speed broadband internet connectivity and well-qualified faculty. The college offers B.Tech and M.Tech programmes in Engineering Technology and is accredited by AACSB.

ABOUT THE DEPARTMENT

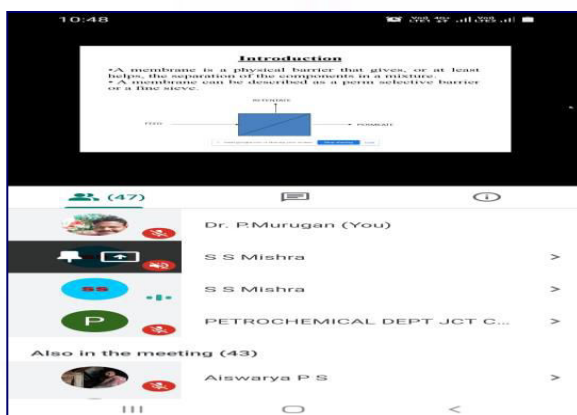

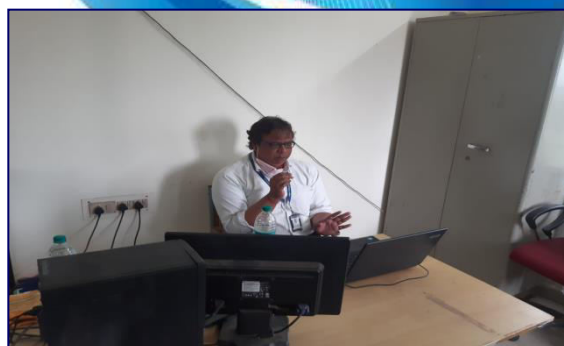

The Petrochemical Engineering Department is accredited by NBA, which is equipped with state-of-the-art learning facilities and laboratories to ensure the graduates in emerging field of Petrochemical Engineering. The program intends to create technical professionals who are able to take on engineering responsibilities across the value chain in the oil & gas sector, with a focus on sustainable development.

ABOUT THE FDP

The FDP on Green Technology and Sustainability aims to address the pressing need for faculty members to stay updated with the latest technological, research, and practice in the field. By providing faculty members with specialized training and resources, the programme enables them to incorporate green technology and sustainable development into their teaching and research. Through collective efforts and continuous professional development, faculty members can lead the way towards a sustainable and environmentally conscious society.
