Microsoft Virtual Internship Program with Placement Support.

Dear Sir/Madam,

Greetings from Naan Mudhalvan!!!

Congratulations, you are identified as a SPOC for your college. We are starting with a program where we, in collaboration with **Microsoft** will be bringing in opportunities for the educator and students to skill and certify themselves.

Students additionally will have an option to enroll themselves into a virtual internship program and on completing the same they would have an option to earn a virtual internship completion certification along with opportunities for the student to get unlock employment opportunities.

We are holding a session for you to walk you through the complete process so that you can start working with your respective colleges, faculties and students enabling them to get started.

The session will cover below.

Session Date and Time: 15th March, 2 PM- 3 PM

Joining Link :[Click here to join the meeting](#)

S. No	Program
