**L. Sharmila**

[Sharmila L - Contributing Author] is working as a Professor and Head in the Department of Computer Science & Engineering at Agni College of Technology, Chennai, India. She received her M.E., and Ph.D degrees in Computer Science and Engineering from Anna University and Sathyabama University. She has secured distinction in both B.E., and M.E. She is an Anna University Rank Holder in PG degree. She is a reviewer for many SCI Indexed Journals like Ambient Intelligence and Humanized Computing (Springer), Journal of Supercomputing, Computer Communications (Elsevier), Microprocessor and Microsystems, Wiley and so on. She has 16 years of Teaching Experience with 6 years of research experience. Her main area of research activity is Data Mining, Medical Image processing, Wireless Networks, Network security, Big data analytics. She has published many research articles in refereed journals like Elsevier and Springer. She has been serving as an Organizing Chair and Program Chair of several International conferences and in the Program Committees of several National / International conferences.

Abstract

The energy utilization of green cellular networking or cellular network infrastructure has become a popular research domain due to the economic concern of network operators and global climate change. Also, due to the growth of wireless networks, the authors are attracted to finding novel relay station (RS) deployment techniques to support high user density and high data rate services by reducing energy consumption and operating costs of different network elements. The location of RSs greatly influences how far a cell

### DEPARTMENT MEETING

Dr. R. Pandiyarajan, Head, Department of Mechatronics Engineering has convened a department meeting with faculty members on 13<sup>th</sup> July 2023 and discussed about the academics and responsibilities of faculty members for the forthcoming semester, Course file preparation, IQAC Audit, NBA and NPTEL Registration.

## DEPARTMENT MEETING

Dr. Arul Kulandaivel, Head, Department of Science and Humanities has conducted faculty members meeting in the seminar hall on 11<sup>th</sup> July 2023. The highlights of the meeting includes teaching learning process, ensuring about students understanding, action plan mechanism for the slow learners, syllabus completion within stipulated time, coaching plan methodologies, make sure the students to write test during coaching class and proper monitoring system of the students etc...

## PARENT - TEACHER MEET

The Department of Science and Humanities (S&H) organized the **“Parents Teachers Meeting”**. The student parents are asked by the class in charges from various sections to come to college for ensuring the students performance on IAT-1 results and University examination results. The parents were addressed by the Class in charges regarding the students discipline, decorum inside the campus, fee update etc... In the meeting, Parents have expressed their innate satisfaction on the department progress academic & non- academic events. The parents hinted that they feel safe about their wards about the institutional performances.
