

GRIEVANCE REDRESSAL POLICY

Introduction

The Grievance Redressal Cell is established to examine and address complaints submitted by students and staff and to assess their validity in a fair and impartial manner. The Cell is also authorized to deal with issues related to harassment. Any individual with a genuine grievance may approach the concerned department faculty directly or seek assistance through the Student Council. If the complainant is not comfortable presenting the grievance in person, the complaint may be submitted in writing through the suggestion/grievance box located at the Administrative Block.

Objectives

The primary objective of the Grievance Redressal Cell is to promote a responsive, transparent, and accountable institutional environment that ensures harmony and discipline within the campus. The specific objectives include:

- Maintaining the dignity and reputation of the institution by fostering a conflict-free and cordial academic atmosphere through healthy student-student and student-teacher relationships.
- Encouraging students to express their concerns and grievances freely without fear of discrimination or victimization.
- Providing an anonymous grievance submission mechanism through a suggestion/complaint box for students who prefer confidentiality.
- Promoting mutual respect, patience, and tolerance among students during situations of disagreement or misunderstanding.
- Advising students to refrain from provoking or instigating conflicts involving peers, faculty, or the college administration.
- Instructing staff members to treat students with empathy and fairness and to avoid any vindictive behavior.
- Enforcing a strict zero-tolerance policy towards ragging in any form, both within and outside the campus. Any violation must be immediately reported to the Principal.

Mechanism for Redressal of Grievances (Students and Staff)

Students are the primary stakeholders of the institution, and every effort is made to ensure transparency and fairness at all levels of academic and administrative

functioning. To uphold this principle, the institution has established a structured grievance redressal mechanism.

Grievances may broadly relate to the following areas:

- Academic issues
- Non-academic concerns
- Assessment and evaluation-related issues
- Victimization or discrimination
- Attendance-related grievances
- Fee-related complaints
- Examination-related concerns
- Harassment by fellow students or faculty members

Addressing grievances promptly is essential for safeguarding human rights and ensuring the holistic development of individuals. Accordingly, the Grievance Redressal Cell has been constituted to address issues such as:

- Sexual harassment or any form of physical or mental harassment
- Classroom-related concerns including teaching methodology, syllabus completion, and classroom management

The Cell meets periodically to review complaints and initiate appropriate remedial actions.

Procedure for Redressal of Grievances

1. A student with a grievance at the departmental level shall initially submit a written complaint to the Head of the Department (HoD).
2. The HoD shall verify the facts and attempt to resolve the issue within a reasonable timeframe.
3. If the student is dissatisfied with the resolution provided by the HoD, the grievance may be escalated to the Department-level Grievance Committee.
4. If the issue remains unresolved, the student may appeal to the Institute-level Grievance Committee within one week of receiving the department committee's response.
5. The Convenor of the Institute-level Committee, after due verification and consultation with the concerned department, shall place the matter before the committee for final consideration and resolution.
6. If the student is still dissatisfied, an appeal may be submitted to the Central Grievance Committee within one week, along with all relevant documents.

At every stage, principles of natural justice shall be followed, and all concerned parties shall be given an opportunity to be heard. Decisions shall strictly adhere to applicable rules, regulations, and statutory provisions.
