

## HIGHER STUDIES AND CAREER GUIDANCE

### VISION

To empower students with global competitiveness by providing continuous guidance, training, and opportunities for higher education, research, entrepreneurship, and successful career pathways.

### MISSION

- ❖ To create awareness on national and international higher education opportunities, competitive exams, scholarships, and research programs.
- ❖ To provide personalized mentoring and counselling through experts, industry professionals, and alumni.
- ❖ To enhance student employability through structured training in communication, aptitude, technical skills, and professional ethics.
- ❖ To collaborate with industries and universities to facilitate internships, projects, and global learning exposure.

### OBJECTIVES

- ❖ To facilitate student progression into higher education, professional employment, entrepreneurship, and start-up initiatives through structured guidance and support.
- ❖ To enhance student success in national and international competitive examinations such as GATE, GRE, TOEFL, IELTS, CAT, Civil Services, and other relevant qualifying tests by providing coaching resources, mentoring, and awareness programs.
- ❖ To ensure maximum student engagement and participation in career development activities, including skill-based training programs, counselling sessions, workshops, internships, and networking opportunities.

### OUTCOMES

Students will:

- ❖ Gain clarity on higher education and career pathways.
- ❖ Improve aptitude, communication, and interview skills.
- ❖ Become industry-ready and globally competent graduates.
